"Relevant Quote  
by the  
photographer  
about their  
work/  
Photography"  
- Photographer  
name.

Find 3 typical examples of the photographers work, including the title of each piece and the year the photos were taken. Do not include the piece you are analysing here.

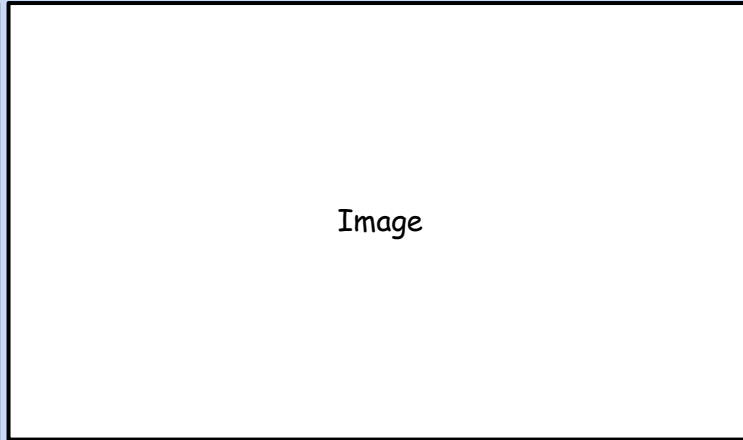

The photographer I am looking at is called... (Name) They are from... (City/ Country) and they lived...(Birth/death) . They mainly photographed (what?) and their work was (describe a typical piece). An interesting thing about the way they worked is...

This piece is called... (Name) and it was taken ... (Date) at (where was it taken?) .

The Photographer has used...

- Tone
- Composition
- Colour
- Depth of field
- Contrast
- Framing
- Viewpoint
- Angle
- Texture
- Pattern

...in an interesting way, which is shown (in which part of the image?)  
I think they have done it like this because...

The best part of the Photo is... (Explain why)

The Photo is of... (Describe the photo)

My first reaction to the Image was... (why?)

The title tells me...

The Photographer is trying to make the viewer see... (something different?)  
I know this because...  
The message the Photographer was trying to convey was...

One Photographer they were inspired by is...  
I can see this...  
They have also been influenced by...  
I believe this because...

My opinion of the work is...  
Because...

I will develop my skills using (a formal element) by replicating the way the photographer does...(What?). The photographers method for their shoots is...
